Dear Miss Wilson,

Ref: Bike Trail in Laneskin Wood

Thank you for your letter dated 1st March 2017 to Mr Phil Mason regarding the possibility of a new bike trail in Laneskin Wood. This has been forwarded to me as a Customer Relations Officer for the Planning & Sustainable Development Service for a response.

The enquiry has been reviewed by our Transport Planning and Strategy Team and they have advised that the Council currently have nothing on record in relation to any planning in this area. However, should this change then Cardinham Parish Council will receive notifications in your capacity as a consultee.

In relation to members of the public wanting to keep up to date on any future developments, you might want to make them aware that they can sign up for e-mail alerts on planning applications which will notify them of any new applications for a particular postcode, town, parish etc. depending on the search criteria entered (please see the details below).

Cornwall Council Planning website:

<http://www.cornwall.gov.uk/environment-and-planning/>

Signing up for e-mail alerts procedure:

- Log onto Cornwall Council Website – www.cornwall.gov.uk
- On the top right hand side is an option to register
- Follow the instructions and wait for the confirmation email (comes straight away) to verify your account
- Log onto your account and access the planning on-line register
- Make a search for your required area – please note that if your post code is for example TR1 1CC and you enter this as a search it will only show the properties
